

CHRISTIAN COLLEGE OF ENGINEERING AND TECHNOLOGY

(Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai)

ANNUAL REPORT 2023-2024

ABOUT THE FOUNDER

The college was established in the year 2001 by Late. Padmabhushan. Dr. Jacob Cherian and Dr. (Mrs.) Mary Cherian who was a pioneer in the field of Medicine, who took up the cause for the noble mission of serving the rural community and imparting value-added education. The Engineering College was the last to be started by them though the other mission work in the field of health, development, and education dates back half a century.

The Engineering College was started in this rural area because of the founders' strong desire for inculcating technical education for the poor and needy of the rural backward class. Intending to empower the rural youth, the college stands as an epitome of service and quality education

ABOUT THE MANAGEMENT

Christian College of Engineering and Technology was established in the year 2001 by the Christian Education, Health and Development Society and our society has been carrying the great legacy that it embodies the spirit of selfless service and the spirit of encouragement and enthusiasm to work tirelessly for empowerment of society through education and to help the oppressed, depressed and downtrodden people of the society. The role of the management is remarkable and they are our stimulating factors for all endeavors and Success.

PREAMBLE

At the time of its inception in 2001, the college offered 3 courses namely B.E ECE, CSE, and B.Tech IT. In 2005 B.E in EEE and in the year 2009 B.E in Mechanical and Civil was started. In 2023 B.Tech Artificial Intelligence and Data Science and B.Tech Agricultural Engineering. In 2024 B.E Artificial Intelligence and Machine Learning, In 2011 a PG course named M.E in Applied Electronics was started. Along the way in 2013, ME courses in Computer Science and Engineering (CSE), Power Electronics and Drives (PED), and in 2014, M.E in Manufacturing Engineering (ME) and Construction Engineering and Management (CEM) were introduced. In 2018 Ph.D in Mechanical Engineering. There has been a steady growth in intake right since its inception, and a spectacular improvement is being witnessed.

CHRISTIAN COLLEGE OF ENGINEERING AND TECHNOLOGY

(Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai)

To summarize, this day the college offers 8 UG courses and 5 PG courses in Engineering and we further assure the society that more courses will be introduced in the future to show our gratitude and inclination to serve the general public with all earnestness, for all your invaluable support and faith you have reposed in us thus far.

In total, the college as of date has a student strength of 897. In the next two years, we would like to see more divine faces whose number would grow beyond 1000.

Books are the source of information, knowledge, and wisdom and they are the mirrors of the world. In helping the students in their pursuit of acquiring greater knowledge, our college library presently has a collection of 4503 titles, 27140 volumes, 40 national and international journals, 50 e-journals (DELNET), and— 2 newspapers.

The faculty members are the backbone of any institution. Their roles and responsibilities are very much closely tied to the central functions of higher education, our college management has understood this fully, and they have been acting very positively in fulfilling this requirement. Our college has faculty strength of 100, of which 71 are teaching faculty, 29 are non teaching staff. Out of 71 teaching faculties, 16 have completed a Ph.D. and 10 are pursuing their research. The college proposes to further expand our research activities by inducting more PhDs into its faculty.

Commencement of Classes

During the academic year 2023–2024, the commencement of classes was staggered between the first-year and second-year students. For the odd semester, the II-year classes commenced on 27 July 2023, while the I-year classes commenced on 29 September 2023, following the admission and counselling process. In the even semester, the II-year classes reopened on 1 February 2024, followed by the I-year classes on 13 March 2024. The staggered commencement ensured that academic activities could be initiated in accordance with the respective admission schedules and institutional requirements.

Examination and Results

The examination schedule for 2023–2024 consisted of two Internal Assessments followed by the University Examination in each semester. During the odd semester, II-year students appeared for Internal Assessment I on 6 September 2023 and Internal Assessment II on 17 October 2023, followed by the University Examination on 29 November 2023. I-year students

FUTURE PLAN

- ✓ Planning to conduct ATAL FDP, Symposium, workshop etc.
- ✓ Planning to offer 100% placements.
- ✓ Planning to increase the pass percentage in the forth coming semesters.
- ✓ Planning to obtain Anna University Recognized Research centre
- ✓ One Day National Level Symposium
- ✓ One Day Workshop/Seminar
- ✓ National Level Conference
- ✓ Seminar on Material Science
- ✓ National Level Technical Symposium
- ✓ Workshop on Communication Skills
- ✓ Science Exhibition
- ✓ Crazy Day Sales
- ✓ Inter Departmental Fest
- ✓ Sales Day
